contact

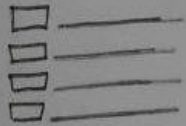

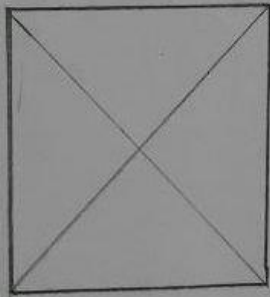

A hand-drawn schematic diagram of a contact system, enclosed in a rectangular border. The diagram includes the following elements:

- A small horizontal rectangle at the top center.
- A horizontal wavy line below the top rectangle.
- Three circular components, each with an 'X' inside, arranged horizontally. Each circle is connected to a small horizontal rectangle, which is in turn connected to a horizontal wavy line.
- Three horizontal rectangles stacked vertically on the left side, each containing a horizontal wavy line.
- A single horizontal rectangle on the right side, containing a horizontal wavy line.
- A horizontal rectangle at the bottom left, containing a horizontal wavy line.
- A horizontal rectangle at the bottom right, containing a horizontal line.
- A horizontal line at the bottom center, with a small square box to its left.
- Four circular components, each with an 'X' inside, arranged horizontally at the bottom center.

TABLET MY PROJECT

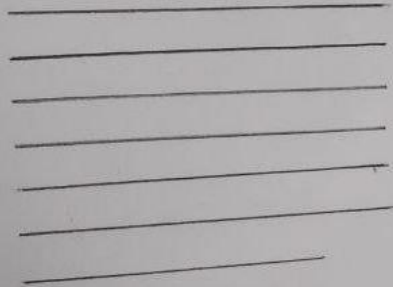

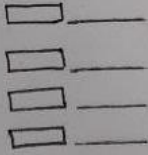

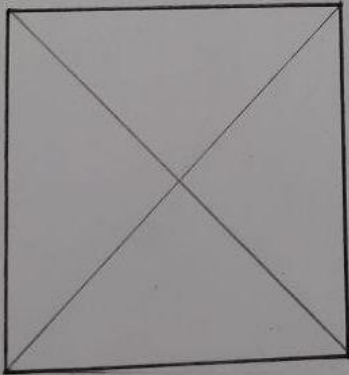

Tablet Contact

A hand-drawn sketch of a tablet contact interface. The interface is enclosed in a rectangular frame. At the top, the title "Tablet Contact" is written. Below the title, there is a small rectangular box, followed by a wavy line. To the left of the wavy line, there are three identical icons: a circle with an 'X' inside, followed by a small rectangular box, and then a wavy line. Below these icons, there are two horizontal rectangular boxes. Underneath these, there are two more horizontal rectangular boxes, one above the other. To the right of the bottom-most of these boxes, there is a small rectangular box with a horizontal line inside. At the bottom of the interface, there is a horizontal bar containing a small square icon with an 'X' inside, followed by a horizontal line, and then four circular icons with 'X' marks inside.

PHONE POTRAIT

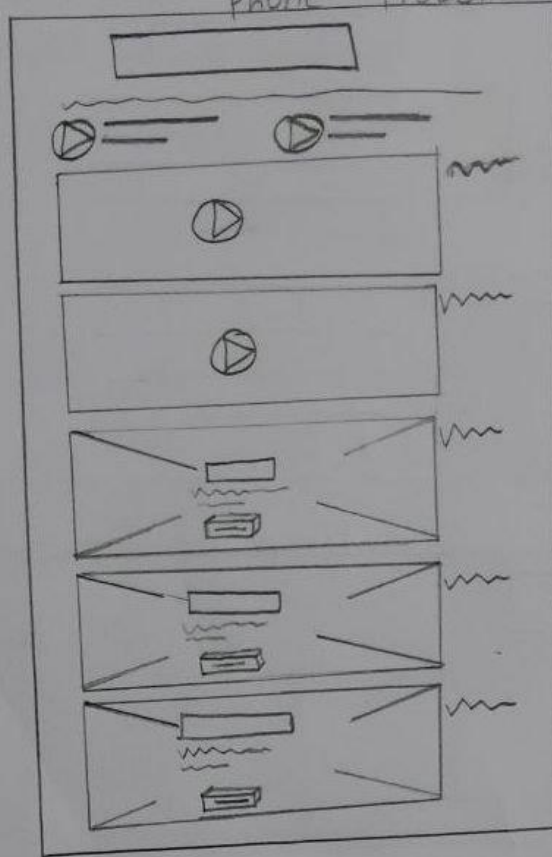

Phone about

A hand-drawn wireframe of a mobile application screen. The layout is contained within a rectangular border. At the top is a large rectangular area with a diagonal 'X' inside, representing a header image or logo. Below this, on the left side, are four small square icons arranged vertically, each followed by a short horizontal line. To the right of these icons is a table with four rows. Each row has a small square icon in the first column and a long horizontal line in the second column. Below the table are two small rectangular boxes, one larger than the other. At the bottom of the screen are four horizontal lines of varying lengths, representing a list or a series of text inputs.

[illegible]

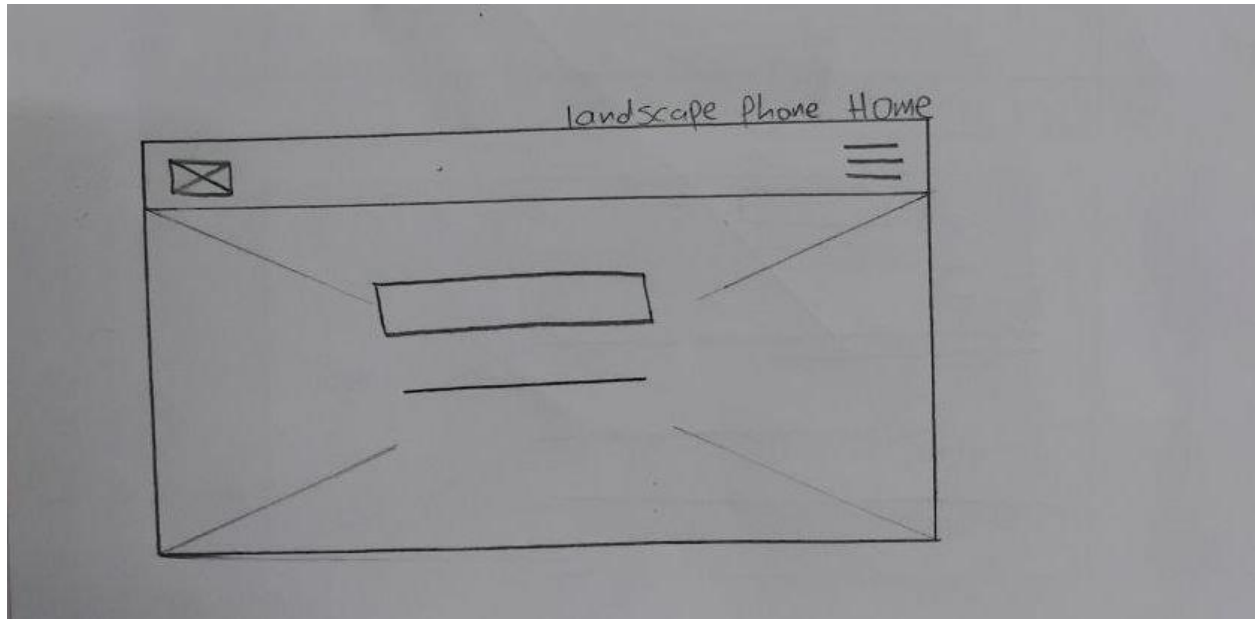

Phone Project

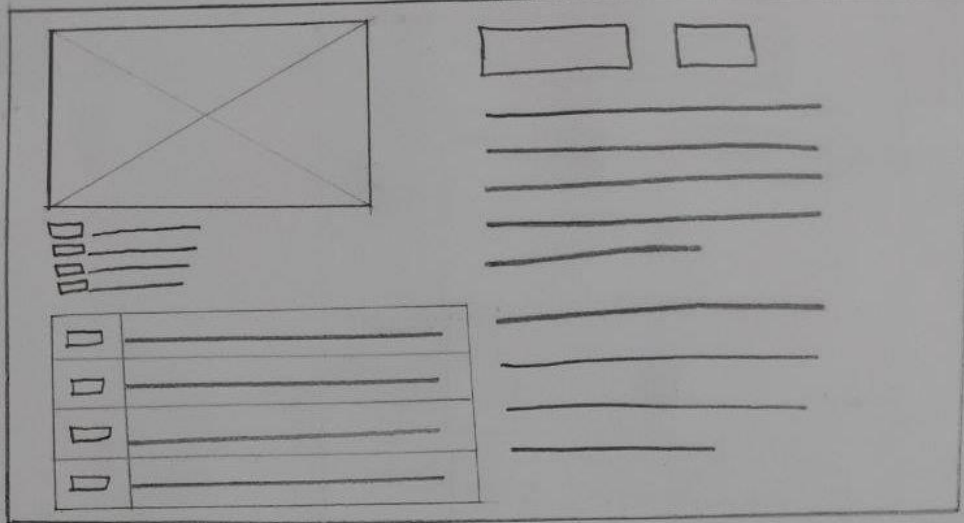

A hand-drawn diagram of a phone contact form. At the top, the text "Phone Contact" is written. Below it is a large rectangular input field. This is followed by a horizontal wavy line. Then there are three rows, each consisting of a circle with an 'X' inside, a small rectangular input field, and another horizontal wavy line. Below these are four more rectangular input fields of varying lengths, stacked vertically. At the bottom, there is a small rectangular input field, followed by a row containing a checked checkbox and three unchecked checkboxes, each with a label line next to it. Finally, at the very bottom, there are four circles, each containing an 'X'.

A hand-drawn diagram of a form titled "Phone Contact". The form contains several rectangular boxes for text input, a wavy line, three circular checkboxes with an 'X' inside, and a row of four circular checkboxes at the bottom. The diagram is drawn on a grid background.
